## STOP ANNOYING PEOPLE BY COUGHING. STOP ATTRACTING UNDESIRABLE ATTENTION.

You know how very embarrassing it is to constantly cough at parties, in church and other public places. Besides suffering the distress of coughing, you regret the annoyance to those with whom you are brought in contact, and decide not to go out again while your cold lasts, causing yourself much inconvenience.

"Every winter," writes Mrs. M. O. Cross, Granbury, Texas, "I suffered with severe coughs and colds, but since using Dr. King's New Discovery, I have not been bothered or annoyed with either for over two years."

. Ask your druggist for a bottle of Dr King's New Discovery. He will refund your money if not satisfied.

## HARMONY HAIR BEAUTIFIER

Is just what its name implies.—Just to make the hair glossy, lustrous, more beautiful.—Just to make it easier to dress, and more natural to fall easily and gracefully into the wavy lines and folds of the coiffure.

It leaves a delightful fresh and cool effect, and a lingering, delicate perfume. Will not change or darken the color. Contains no oil; therefore doesn't leave the hair sticky or stringy. Simply sprinkle a little on your hair each time before brushing it. But first, make sure that your hair and scalp are clean, by using Harmony Shampoo

—A liquid shampoo to keep the hair clean, soft, smooth and beautiful. It gives an instantaneous, rich, foaming lather, penetrating to every part of the hair and scalp. It is washed off just as quickly, the entire operation taking only a few moments. It leaves no lumps or stickiness.—Just a refreshing sense of cool, sweet cleanliness.—Just a dainty, pleasant and clean fragrance.

—Both in odd-shaped ornamental bottles, with sprinkler tops.

—Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c.

—Both are guaranteed to please you, or your money back.

- These Stage Beauties Endorse Them -There is no class of women who know better how to discriminate in the use of things to make them more beautiful than actresses.
